Building & Parks

Hartzheim asked if the City would be including the information flyer with the tax bills again this year? He wanted to make sure it covered ordinance reminders and significant information for the upcoming year. The Mayor agreed and recommended it be updated and included.

Linke stated since the park signs have not been made yet he would like to see something added reminding people that dogs are not allowed in the parks. The Mayor asked Huettner, Linke and Hartzheim to work together to address the signs. Then bring the information back to the December meeting for further discussion.

Library

Anders shared the library board minutes and said they discussed masks being worn at the library. She also noted that many other libraries are currently curbside only. They are trying to find a safe balance in order to continue to serve the community yet keep everyone safe and healthy. They have good protocols in place, so far they are doing fine but will continue to monitor. The library also plans to have a float in the December to Remember parade in December.
